Dear Mrs. Harrison

Re AN UPDATE ON THE CASE OF MR. ELMAN TEBRIZLI (MEHDI NURI)

Further to our letter on 20 August 2006, Ref: 366/2006, attached is an update on Mr. Elman Tebrizli, who is resorting to hunger strike. Evidently, the arbitrary acts of the authorities are also impacting on his traumatised parents. You were duly informed that his father is relentless to the extent of writing a letter to his MP. It would seem that this was an effort in vain.

We appeal to Amnesty International to take up the defence of this young student and do whatever in your means towards alleviating his grave condition. Undoubtedly, his parents will be comforted by your international support.

Yours sincerely,

Boyuk Resuloglu

For and on behalf of
The Committee for the Defence of the Rights of World Azerbaijanis

His father too is also suffering from heart conditions as a direct consequence of the ordeal inflicted on his son, such that his doctor has ordered him to be hospitalised for a week. Prior to this Elman's traumatised mother was hospitalised.</p> <p>It should be mentioned that as a direct consequence of subjecting Elman to physical and psychological tension in the Intelligence office in Tebriz, Sulduz and Urmu there has been many effects both on him and his parents.</p> <p>Thursday, 24 August 2006</p>
